

Notes from Haven Banks Regeneration Residents Meeting

15th June 2022, 6pm

Exeter Rowing Club, Haven Banks

1. Current 'Redevelop, Don't Overdevelop!' leaflet distribution discussed. Dom ensured all roads are covered. Everyone to deliver this week.
2. Future leaflet drops discussed. Richard suggested 3 further leaflet drops to be issued. The first is when planning is announced. The second is 1-2 weeks prior to the planning deadline. The third is in the last week prior to the deadline.
3. Leaflets will be distributed by the volunteers who are currently delivering the first leaflet.
4. Three different A3 posters were discussed to be placed either side of lampposts around the wider local area.
5. Richard to issue drafts of leaflets and posters for group agreement.
6. Richard to advise costs for proposed leaflets and post to the group for agreement.
7. Donations are needed to fund the printing. Everyone to bring donations to next week's meeting. This will also need to cover the already printed leaflets.
8. Funding may be available from the new Resident's Association. To discuss with Peter.
9. Funding may be available from the community builder. Andrew to contact.
10. Funding may be available from Devon Communities Together. Sue to contact.
11. It was agreed that door knocking would be beneficial once the planning date was known. This would coincide with delivering the next leaflet.
12. Exeter Civic Society wrote well in opposing the co-living development on Harlequins. Dom awaiting contact to discuss a similar role on this scheme.
13. A twitter platform would help raise the profile of the group. Richard to review.
14. It is hoped that attendance will increase next week following the leaflet drop. The contact sheet can be updated and a volunteer could identify any geographically under-represented areas.
14. Items to be discussed at next meeting
 - Volunteers to become the group representative at the planning committee. This will help early planning of the 3 minute presentation.
 - Update new attendees on current plans, current thoughts on objections and clarify what we can and can't object to.

Next meeting Wednesday 22nd June 2022, 6pm at Exeter Rowing Club

Reminder: Donations for leaflets and posters required at next meeting please.
